- Summary: A website where users can securely sign up and login to read and share posts technology related. Users are also able to manage their posts.
- Role: Build the backend and create the logic to render and edit posts in the frontend
- Tools: node.js, express.js, mongoose, mongoDB, graphql, jwt, react, tailwind, render

**Tech-Blog-MVC** | <https://github.com/YemnyFeliz/Tech-Blog-MVC> | <https://techblog-yf-0ce34b9af3ec.herokuapp.com/>

- Summary: A tech blog website where users can create, edit, and delete posts and leave comments.
- Role: Create logic to enable users to create, update, and delete posts and comments. Polish UI.
- Tools: node.js, express.js, sequelize, mySQL, handlebars, Model-View-Controller.

**TimedQuizz** | <https://github.com/YemnyFeliz/TimedQuizz> | <https://yemnyfeliz.github.io/TimedQuizz/>

- Summary: A multiple choice timed quiz. It tells users if the answer is correct or wrong and saves their scores in the local storage.
- Role: Solo. Creates the logic and design.
- Tools: JavaScript, CSS.

## EXPERIENCE

### **Service Support Specialist Evolution Gaming**

2020–2023  
Atlantic City, NJ

Ensured that all gaming tables were operational. Identified and resolved all game irregularities due to software or hardware issues, network connectivity, or dealer mistakes. Ensured gaming integrity and issued refunds if gaming integrity was compromised. Worked with JIRA and TTS internal systems to report incidents such as dealer mistakes, broken equipment, software issues, etc. Collaborated in team work to optimize performance and efficiency. Mentored new employees to help them excel in the position.

#### Key Accomplishments:

- Recognized by my superiors as someone reliable and highly efficient.
- Consistently obtained monthly bonuses as rewards for great productivity and performance.

### **Custom Cocktail Waitress Borgata Hotel & Casino Spa**

2018 –2020  
Atlantic City, NJ

Took and delivered guests drink orders in a high volume casino with charisma and enthusiasm. Made sure that guests were satisfied and had a memorable experience. Collaborated with bartenders and bar porters to deliver guests' desired drinks, as well as with other cocktail waitresses to cover all areas of the casino floor to not leave any guest unattended. Maintained assigned serving area and service bar cleaned.

#### Key Accomplishments:

- Elevated overall customer experience by consistently providing high-quality service and proactively addressing and resolving customer concerns.
- Contributed in creating a welcoming environment and harmonious atmosphere.

## EDUCATION

**Full Stack Web Development Boot Camp Certificate:** Rutgers University, New Brunswick, NJ

**Associate's Degree in Liberal Arts- Elementary School Education:** Atlantic Cape Community College, Mays Landing, NJ
